

About Our Park

We are very proud of our park located on US Hwy 5 just north of US Hwy 136 and the 4 way stop.

Recent improvements include a new swimming pool, walking trail, upgraded playground equipment, basketball court, and covered picnic tables.

Bingo is available on Monday nights at the Lions Club.

The Putnam County Fair begins for a week the day after Labor Day.

Several auctions during the year can be found at the 4-H or nearby building.

Camping is available with 77 Full RV hookups (\$20.00 per night) or 8 limited (no sewer) hookups (\$17.00 per night).

A few Frisbee golf holes and acres of open terrain exist on the west end of the park.

We trust you will enjoy our park. Be safe, and have fun.
